

### **Dear Parents and Guardians,**

This Week, Grade 8 students went on a Southern Alberta trip with a specific focus on Indigenous histories in our province. Last night they got to sleep in teepees at Blackfoot Crossing – Sr. Mason shared the above picture this morning.

Today, on National Indigenous Peoples Day, SPB teachers met to renew their commitment to Truth and Reconciliation. See below for our new commitment for next year.

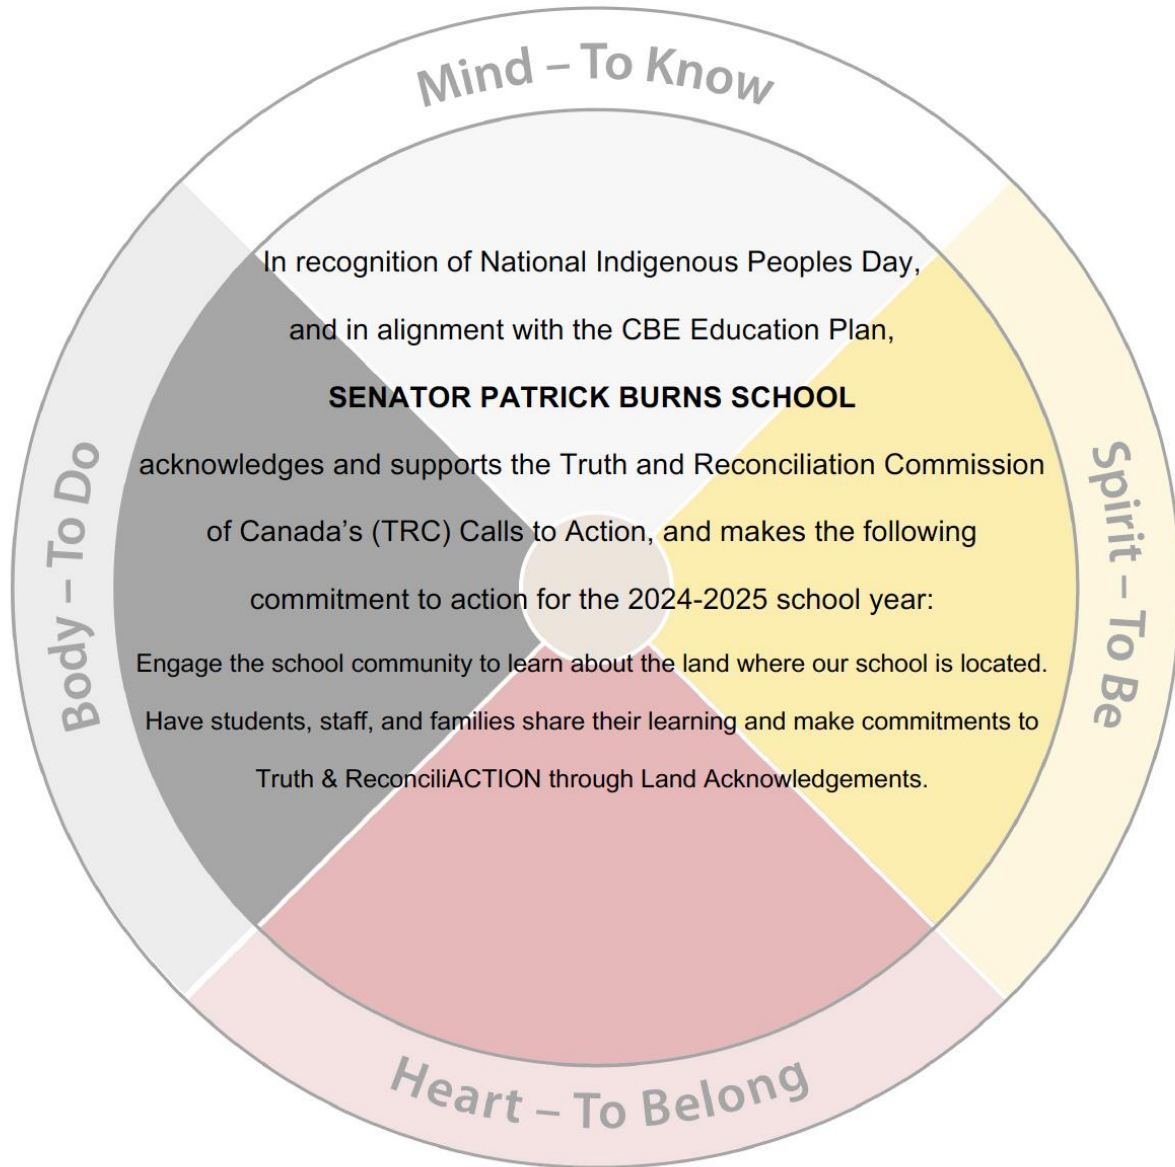

Congratulations to all Grade 9 students who received their diplomas last night, it was a special evening.

Enjoy your last week of school before the summer.

Have a great weekend.  
Sr. Ludwigsen, Principal
